FOREWORD . . .

As throughout the nation, Delta State is showing a rapid return to normalcy. In spite of four years of war, Delta State has remained an active institution and is now ready to provide educational and social opportunities for those who were deprived of these benefits by the world-wide conflict. It is the wish of the BROOM Staff to express appreciation and gratitude to those who have kept Delta State's institutions alive during those difficult times and to extend a sincere welcome to those who will continue to keep them alive.

DEDICATION...

Students seldom find a member of the faculty who can command their admiration, inspire their loyalty, and hold their friendship more than does Miss Evelyn Allen Hammett. As professor, speaker, poet, director of student activities, she has brought honor and distinction to Delta State and has won for herself a permanent place in the hearts of the students she has taught. In recognition of Miss Hammett's attainments we respectfully dedicate to her the 1946 BROOM.

The Class of 1946 will leave college to face the challenge of a new order and to meet the strenuous demands of a new world society. Especially are these demands and expectations placed upon the young graduates of a Teachers College.

The realization of these expectations is not taken for granted. We have confidence in you to assume your responsibilities, and we expect all of you to perform your part. We see in you the realization of the high purpose of true manhood and womanhood.

OUR TREASURED LANDMARKS

will Endure

Long after war has ceased they will stand as beacons to the American Way . . . to greater achievement in religion, arts, science, research, and industry. The way is not easy. It is narrow. It is sometimes rough. Other paths beckon alluringly, as seeming short cuts. But in mankind's halting progress through the ages many paths have been explored

before. If now in uncertainty we change paths we will slow up progress and confuse those whose eyes are on us. By further smoothing of the proved paths we can continue to inspire earnest men everywhere to follow the way that already has led one nation so far toward the better and happier life for all.
